# Welcome to I-BEST!

Integrated Basic Education & Skills Training

## What is I-BEST?

The Integrated Basic Education and Skills Training (I-BEST) program at Green River Community College provides educational access and support to help students:

- Develop JOB SKILLS that prepare them to work in high-demand fields
- Begin an educational and career pathway
- Increase English and math skills
- Work toward a certificate or degree

I-BEST is open to eligible students in Adult Basic Education (ABE), General Education Development (GED), and English for Speakers of Other Languages (ESOL).

## Benefits of I-BEST

Students have two instructors in the classroom—one to teach the career content and one to support their basic skills. With this collaborative effort, students are able to learn faster and go further. Students prepare for immediate employment in a professional or technical field after completing an I-BEST program.

## I-BEST Programs

- Auto Body
- Aviation
- Child Development Associate (CDA)
- Early Childhood Education
- Natural Resources
- Health Care
- Office Assistant
- Welding
